DONOSTIA- SAN SEBASTIAN

The sea. The tide flows, the tide ebbs, and flows again.
Sometimes the sea is beautifully calm,
but always the waves hit with an incredible energy.

These waves feed Donostia,
with passion, with freshness,
with each traveller, each idea, each gaze, each experience.

Donostia is the heartbeat of its sea,
Donostia is the sound of its people, guests, and music,
Donostia is the charm of its streets, nooks and crannies,
Donostia is the cuisine of its wonderful bars and restaurants.

This is why we are so happy that you are coming to our city,
and we welcome you.
